

VARNISH THINNER

DESCRIPTION

Special solvent blend for thinning polyurethane **VARNISH SOLVENT**.

TECHNICAL CHARACTERISTICS

Parameter	Value
Density	0.87 g/cm ³ at 20 °C
Solubility	Slightly soluble in water
Liquid	Colorless
Flash point	5 °C

SUBSTRATE PREPARATION AND APPLICATION

The base surface must be leveled, clean and free of dust, grease and foreign substances.

DISPOSAL AND ENVIRONMENT

Take all necessary measures to minimize waste production. Consider possible recovery or recycling methods. Do not pour into drains or release into the environment. Dispose of at an authorized waste collection point.

Waste must be handled and disposed of in accordance with current local and national legislation. Empty containers and packaging must be disposed of in accordance with current legislation. Neutralization or destruction of the product must be carried out by controlled incineration in special chemical waste plants, in accordance with local regulations.

PACKAGING

VARNISH THINNER is supplied in 5 L containers.

USES

Medium-slow evaporation solvent for polyurethanes, suitable for use with primers, acrylic and synthetic paints, varnishes, enamels, fillers and grain fillers. Anti-blush.

CONSERVATION AND STORAGE

- Store in accordance with local regulations.
- Store in a separate, approved area.
- Store in the original container, protected from direct sunlight, in a dry, cool and well-ventilated area, away from incompatible materials, food and drink.
- Keep locked up. Eliminate all ignition sources. Keep away from oxidizing materials.
- Keep the container tightly closed and sealed until use. Opened containers must be carefully and perfectly resealed and kept upright to prevent spills.
- Do not store in unlabeled containers.
- Avoid environmental contamination. Dispose of in accordance with local regulations.

IMPORTANT NOTES AND RECOMMENDATIONS

- As this is a solvent-based product, it must be applied with good air renewal and the necessary protective measures.
- Protect containers from high temperatures and direct sunlight.
- Do not eat, drink or smoke during application.
- In case of eye contact, rinse with plenty of clean water.
- **Toxic if swallowed.** Keep out of the reach of children.
